**Subject:** [External\_Sender] Draft Responses for Discussion During Phone Call April 7, 2016

RE: Docket No. 71-9341, TAC No. L25031

Norma,

Attached are some of our thoughts regarding the RAIs recently issued on the BRR Cask. Please request the relevant staff members to review this material prior to our call on April 7. We believe that this should clear up the questions. As noted in the attached document, this material is intended to facilitate the discussion. Formal RAI responses will be developed pending our call.
