Re: License No. 21-16560-01 License & Amendment Corrections:

Mr. Tran,
As discussed this afternoon (5/4/16), I am clarifying some of the discrepancies you brought to our attention.

- Re: Item #2 on the Amendment request dated 2/25/16 from the previous R.S.O. Bill Reeve: the correct address for the removal of the location in question is 304 S. Holmes St., Lansing, MI **48912**. The zip code on the current license (48658) is **incorrect**. Please remove this location from the JANX License.
- Re: Item # 3 on the Amendment request dated 2/25/16 from the previous R.S.O. Bill Reeve: please disregard the request to remove 2153 E. River Road, Mt. Pleasant, MI 48858 from the license. This location has already been removed. No further action is required for this address.
- Delegation of Authority Letter signed by Steve Flickinger and John Carr is attached

Sincerely,

Sandy Gubry
A.R.S.O.

NRC. & Agreement States

Model Delegation of Authority Pennsylvania

Memo To: Radiation Safety Officer
From: Chief Executive Officer
Subject: Delegation of Authority

You, have been appointed Radiation Safety Officer and are responsible for ensuring the safe use of radiation. You are responsible for managing the radiation protection program; identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations where justified by radiation safety. You are required to notify management of situations where staff are not cooperating and not addressing radiation safety issues. In addition, you are free to raise issues with the Pennsylvania Bureau of Radiation Protection at any time. It is estimated that you will spend 40+ hours per week conducting radiation protection activities.

Signature of Management Representative — Date: 4/6/16

I accept the above responsibilities,

Signature of Radiation Safety Officer — Date: 4/6/16

cc: Affected department heads

NOTES/COMMENTS:

Mr. Tran,

As discussed, I've attached a letter clarifying the discrepancies in a past Amendment request as well as a Delegation of Authority letter signed by Management and the new R.S.O. Please feel free to contact me should you have any further questions.
