Re: License Number SNM-95 (Docket Number 070-00113)

Subj: Change of title for license management representative

This letter is to inform you that the official title of the management representative for license SNM-95 has recently changed.

Penn State University's SNM license management representative, Dr. Neil Sharkey, has been named to the permanent position of Vice President for Research. He was the Interim VP for Research prior to April 2016. Of the two documents submitted to NRC in 2013 (cover letter dated 9/23/13 and NRC Form 313 dated 9/23/13), only the cover letter used the title Interim Vice President for Research. Form 313 did not have the word Interim.

In follow-up correspondence where Dr. Sharkey's title appears (reply to RAIs in PSU letter dated 9/28/15), the word Interim does not appear.

Please contact me for correspondence or if you need any additional information.
