Ref: **Annual General License Registration Documentation for Knauf Insulation, Inc.
4812 Tablers Station Road, Inwood WV 25428 GL-653859-20**

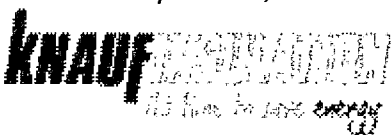

To Whom It May Concern:

I have enclosed the annual General License Registration documentation for Knauf Insulation, Inc. at Inwood WV. In May 2012 I made some corrections on the cover letter and GL-653859-16 forms advising that the manufacturer on the nameplates for both source holders is Ohmart Corporation. Measurex was the distributor for the later model source holder transports. Ohmart Corporation is now Vega Americas, and Honeywell acquired Measurex Corporation in March 1997. Since no manufacturer name changes were made to the corrections that I submitted in 2012, I am assuming that you want the manufacturer name left as Honeywell International instead of Ohmart Corporation or Vega Americas. If that is not the case, or if you have any questions, then please let me know. You can contact me at 517-630-2072.

P.S. The invoice for the \$400 annual General License Registration fee was sent to our headquarters for payment. A check will be forwarded in the near future, to the Office of the Chief Financial Officer, at US NRC, as requested.

Kind Regards,
