**Re: Change of RSO  
USNRC Materials License #s 19-19822-01**

To Whom It May Concern:

As of April 1, 2016, Dennis C. Raver, LEED-AP, has assumed the responsibilities and title of Radiation Safety Officer (RSO) at the ATC Group Services in Columbia, Maryland office, from the previous RSO, Mr. Jeffrey Wieboldt. Mr. Raver completed his training in July 2015, and worked alongside Mr. Wieboldt as co-RSO, training for his role as RSO, which he assumed when Mr. Wieboldt left ATC on March 31, 2016. Please amend our license to reflect this change. Included with this letter is a copy of Radiological Safety Training certification and HAZMAT training certification. Please note the following:

1. Mr., Dennis C. Raver, LEED-AP, is our new Radiation Safety Officer as of April 1, 2016.
2. Attached are Mr. Raver's RSO Class Certificate, and APNGA Portable Nuclear Safety & US DOT Hazmat Certification certificate.

ATC appreciates your consideration of the above change. Please feel free to contact me with any questions or comments at 443-545-3706 or [dennis.raver@atcassociates.com](mailto:dennis.raver@atcassociates.com)

Sincerely,

Dennis Raver  
Senior Principal/General Manager  
ATC – Columbia, MD

Enclosures: RSO Class Certificate, and APNGA Portable Nuclear Safety & US DOT Hazmat Certification certificate

*590798*

NMSS/RGN1 MATERIALS-002

# APNGA Portable Nuclear Gauge Safety & U.S. D.O.T. Hazmat Certification Class

Certificate of Completion to:

Dennis Raver

HAZMAT refresher training is required within 3 years after today's date:

July 9, 2015

This course covers training criteria of NUREG 1556, The Agreement States,  
and 49 CFR 172, Subpart H.

**The Company RSO completes the training requirements by familiarizing the employee with:**

- State specific regulations including introduction to the state regulatory website
- The company radiation safety program, specifically gauge safety operating and emergency procedures
- A tour of storage area with emphasis on security, documents and postings
- Loading, security and transporting gauges in company vehicles
- Hands-on training with the gauge and methods in use by the company
- Introduction to gauge safety content on gauge manufacturer website
- Certificate covers both Gauge Safety and USDOT HAZMAT requirements

The acknowledgement and signature of the RSO/Official makes the training and certificate relevant and valid.

	<b>Licensing and/or Technical Reviewer or Branch</b> Comm, Industrial, R&D, and Academic Branch

This is to acknowledge receipt of your:  Letter and/or  Application Dated: 04/26/2016

The initial processing, which included an administrative review, has been performed.  
 Amendment  Termination  New License  Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please fill out NRC Form 531, Request for Taxpayer Identification Number, located at the following link:  
<http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>  
 Send the completed NRC Form 531, by facsimile, to the following number: (301) 415-5387

The following administrative omissions have been identified:

A copy of your action has been e-mailed to our License Fee and Accounts Receivable Branch, in our Headquarters office in Rockville, MD. You will be contacted separately if there is a fee issue involved.

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
