SUBJECT: CLOSURE OF INVESTIGATION (OI 4-2014-037)

Dear Mr. Diya:

This refers to an investigation conducted by the U.S. Nuclear Regulatory Commission's (NRC's) Office of Investigations regarding activities at the Callaway Plant. The Office of Investigations initiated the investigation to determine whether a consulting health physicist deliberately failed to provide complete and accurate information in Callaway action request documents at the Callaway Plant.

Based on the evidence, this investigation did not substantiate the allegation that a consulting health physicist deliberately failed to provide complete and accurate information in Callaway action request documents at the Callaway Plant.

You should note that final NRC documents may be made available to the public under the Freedom of Information Act subject to redaction of information pursuant to the Freedom of Information Act. Requests under the Freedom of Information Act should be made in accordance with 10 CFR 9.23, Requests for Records. Information is accessible from the NRC's website at http://www.nrc.gov/reading-rm/foia/foia-request.html#how.

In accordance with 10 CFR 2.390 of the NRC's "Agency Rules of Practice and Procedure," a copy of this letter will be made available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC website at http://www.nrc.gov/reading-rm/adams.html.

Sincerely,

John S Kramer
