MEMORANDUM FOR: Chairman Jackson
Commissioner Rogers

FROM: James M. Taylor
Executive Director for Operations

SUBJECT: COMPLETION OF REVIEW OF NRC'S PERFORMANCE DURING OCONEE
STEAM GENERATOR DRYOUT EVENT IN AUGUST 1994

Reference: J. Taylor's memorandum to the Commission, dated
September 14, 1995

Original signed by
James M. Taylor

The Oconee Event Review Team has completed its review and evaluation of the NRC's performance during the steam generator dryout event at Oconee Unit 3 on August 10, 1994. The team, consisting of five senior NRC and industry representatives, was formed by this office to conduct an in-depth evaluation of the licensee's and the staff's activities related to this event.

Attached is a copy of the team's final report which will be placed in the Public Document Room. I have tasked NRR to develop an action plan to implement the team's recommendations.

A copy of this report has been provided to Duke Power Company and INPO.
