Selected Licensee Commitments Manual (SLC)

Gentlemen:

Pursuant to 10CFR 50.4 and 50.71, please find attached 7 copies of the latest revisions to the Oconee Selected Licensee Commitments Manual. The SLC Manual is Chapter 16.0 of the Oconee FSAR. This manual is intended to contain commitments and other station issues that we believe warrant higher control, but are not appropriate for inclusion into the Technical Specifications (TS). Instead of being updated with the annual FSAR Update, the SLC Manual will be updated as necessary throughout the year.

Very truly yours,

J. W. Hampton
