Selected Licensee Commitments Manual (SLC)

Gentlemen:

Pursuant to 10CFR 50.4 and 50.71, please find attached 7 copies of the latest revisions to the Oconee Selected Licensee Commitments Manual. The SLC Manual is Chapter 16.0 of the Oconee FSAR. This manual is intended to contain commitments and other station issues that warrant higher control, but are not appropriate for inclusion into the Technical Specifications (TS). Instead of being updated with the annual FSAR Update, the SLC Manual will be updated as necessary throughout the year.

Very truly yours,

J. W. Hampton

To: Manual Holders

Subject: Ocone SLC Revision

Please revise your SLC Manual according to instructions. This SLC creates Selected Licensee Commitment 16.7.6 Main Steam Line Break Detection and Feedwater Isolation.

Please update your copy of this manual as follows:

Remove These Pages
