Dear Ms. Forster:

This letter confirms that the notice of the transaction between Alpena Regional Medical Center, of which ARMC Medical Group Cardiology Associates, the holder of Materials License No. 21-32378-01, is a division, and MidMichigan Health as described in the letter dated March 23, 2016, was completed on April 1, 2016. As noted in that letter, the name of the licensee is now MidMichigan Medical Center-Alpena.

Please let me know if you require any additional information to complete this update.

Very truly yours,

Dear Becky:

I have completed an initial review of the March 2, 2016 letter (ML16063A474; received at the U.S. NRC Region III office on March 3, 2016) from the above referenced licensee requesting NRC consent to a Transfer of Control (TOC). You need not submit the original versions of the signed documents for this action. The incoming request will be posted at our website:
