Dear Ms. Jennifer Bishop

There were 3 questions regarding the completion of our RAM license. I will answer them in the order requested.

1. The address for the use of radiopharmaceuticals is Salem Memorial District Hospital 35629 Highway 72 Salem, Missouri 65560.
2. This license will not be used for temporary job sites. All uses of radiopharmaceuticals will be on-site.
3. All calibrations of survey instruments will be performed by a licensed company. We will not be calibrating survey meters in-house.

If any additional information is needed for the completion of this RAM license please don't hesitate to contact me.

Sincerely,

Kasey Lucas, CEO
