Re: Oconee Nuclear Station
Docket No. 50-270

Dear Sir:

My letter of June 1, 1981, concerning the Emergency Feedwater System at Oconee, stated that modifications would be implemented by July 17, 1981 on Unit 2. However, due to problems with the completion of the design, this work is now expected to be completed by August 17, 1981.

Very truly yours,

William O. Parker, Jr.
