Paul,

We would like to have you serve as an Ex-Officio on the DTAB. These are example letters sent from other agencies. The Acting Administrator is Kana Emoto. Let me know if you think this is something you would like to do. If so, then I, will send a more formal letter as the Chair.

Ron - attached are all the letters sent from agencies identifying someone to serve as an ex officio on DTAB. I hope these will be of use to Paul.
