Re: Turkey Point Units 3 and 4  
Docket Nos. 50-250 and 50-251  
License Nos. DPR-31 and DPR-41  
Special Nuclear Material Reports

Pursuant to 10 CFR 74.13 and 10 CFR 74.15, Florida Power and Light Company (FPL) is submitting the nuclear material status reports for Turkey Point Units 3 and 4 covering the period from April 01, 2015 to March 31, 2016. Attachments 1 and 2 to this letter contain a printed listing of the data contained on the disc and a completed disc transmittal form for Turkey Point Units 3 and 4, respectively.

The enclosures to this letter contain two computer discs (one for each unit) that contain the report information in computer-readable format in accordance with NMMSS Report D-24. By copy of this letter, the enclosures are being sent to the U.S. Department of Energy.

The attachments and enclosures contain information or records concerning FPL's accounting program for special nuclear material. Pursuant to 10 CFR 2.390(d)(1), it is requested that the attachments and enclosures be withheld from public disclosure since they contain security-related information.

Please contact Mitch Guth at 305-246-6698 should there be any questions concerning this information.

Sincerely,

A handwritten signature in black ink, appearing to read 'Thomas Summers', is written over a horizontal line.
