DUKE POWER

September 01, 1994

U.S. Nuclear Regulatory Commission
Attention: Document Control Desk
Washington, DC 20555

Subject: Oconee Nuclear Site
Docket No. 50-269
Inspection Report 50-269, -270, -287/94-15
Reply to Notice of Violation
Request for Delayed Response

Dear Sir:

By letter dated August 05, 1994 the NRC issued a Notice of Violation as described in Inspection Report No. 50-269/94-15, 50-270/94-15, and 50-287/94-15.

Pursuant to the provisions of 10 CFR 2.201, Duke Power recognizes the required due date to NRC for the response to subject violation is 30 days (4 August 1994). Duke Power is unable to comply with the requirements of this provision and requests a delay of response until not later than 9 September 1994. The reason for this delay is inadequate gathering of technical documentation for completion of response. Permission has been obtained per phone conversation with Bob Holbrook at 1615 on 1 Sept 1994 to effect this delay of response. This letter documents the requested delay.

Very truly yours,

J. W. Hampton
