Gentlemen:

SUBJECT: NRC INSPECTION REPORT NOS. 50-269/94-19, 50-270/94-19 AND
50-287/94-19

Thank you for your response of August 25, 1994, to our Notice of Deviation issued on July 27, 1994, concerning activities conducted at your Oconee facility. We have evaluated your response to Deviation 50-269,270,287/94-19-01 and will examine the implementation of your corrective actions during future inspections.

With respect to Deviation 50-269,270,287/94-19-02, it is our understanding that you will revise your response to address inspection of weld class breaks associated with piping one inch or less. As discussed on September 12, 1994, between Mr. D. Nix of your staff and Mr. K. Poertner of my staff, your revised response is to be provided to this office by September 30, 1994.

The response directed by this letter is not subject to the clearance procedures of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, Pub. L. No. 96-511.

We appreciate your cooperation in this matter.

Sincerely,

ORIGINAL SIGNED BY
MARVIN V. SINKULE
