Letter of September 13, 1999)

October 6<sup>th</sup> 1999

Dear Sir,

Prehearing Conference:

In accordance with your letter of September 13<sup>th</sup> 1999, I am writing on behalf of Graseby Dynamics Ltd. to state that we no longer wish to 'Intervene' in the above referenced hearing concerning the Registration and Licensing of the model M22 / GID-3 Automatic Chemical Agent Detector / Alarm (ACADA).

Graseby Dynamics Ltd. has no issues to be raised in its own right, but does wish to participate in the Prehearing Conference, set for Wednesday 13<sup>th</sup> October 1999, & also in any follow-on activities from that meeting in support of our customer, US Army SBCCOM. We have been advised that this is also the wish of our customer.

Graseby Dynamics Ltd., as designer and developer of the M22 / ACADA system is able to offer unique knowledge concerning the design, safety, production and testing of the system and is therefore a 'technical resource' of the US Army in these meetings.

I trust that this meets with your approval. Our primary representative at the meeting will be Mr. Rob Howard, U.S. Engineering Support Manager. Mr. Neil Bloomfield may also be in attendance. Please therefore be kind enough to add Mr. Howard to the distribution list for future correspondence at the following address:

Graseby Dynamics  
3562 Queensbay Court  
Oviedo, FL 32765  
Fax: (407)-359-0905

Yours faithfully  
For and On Behalf of Graseby Dynamics Ltd.,

*John O'Neil*
