RE: Sparrow Health System Basis of Confidence as Transferee  
NCR License #21-26050-01

Dear Ms. Forster:

Sparrow Health System is planning to obtain a minority membership interest in NRC licensee Hayes Green Beach Memorial Hospital ("HGB"), license number 21-26050-01. While Sparrow Health System will not exercise direct control over HGB's license or byproduct material, any actions or oversight by Sparrow Health System will be appropriate and in accordance with NRC requirements. The NRC has a basis for confidence that Sparrow Health System will act appropriately with regard to HGB's byproduct material because Sparrow Health System is known to the NRC, and has been issued NRC licenses for byproduct material use for the following facilities:

1. Sparrow Carson Hospital, license number 21-16339-01;
2. Sparrow Ionia Hospital, license number 21-32431-01; and
3. Edward W. Sparrow Hospital, license number 21-01430-01.

If you have any questions or need further information related to the Sparrow licenses, please feel free to contact Ms. Andrea Kosloski, Sparrow's VP Legal & Risk Services at 517.364.5137.

Sincerely,

**Subject:** [External\_Sender] NRC License 21-26050-01 - Change of Ownership

Ms. Forster,

Per our discussion last week, attached please find a signed letter from transferee, the Sparrow Health System, outlining the NRC's basis of confidence that, after the change in ownership making the Sparrow Health System a minority member of licensee Hayes Green Beach Memorial Hospital (license no. 21-26050-01), Sparrow will act appropriately with regard to HGB's licensed materials.

As we discussed, we will plan to contact you on Monday, June 27<sup>th</sup> regarding the NRC consent to the change in ownership. Please let me know if you need anything further for your review.

Regards,
