Re: Oconee Nuclear Station  
Docket Nos. 50-269, -270, -287

Dear Mr. O'Reilly:

My letter of September 29, 1978 committed to have environmental qualification data required by OIE Circular 78-08 available by April 16, 1979.

On February 8, 1979, OIE Bulletin 79-01 was issued which raised the threshold of the above circular to the level of a bulletin. Consequently, the commitments made in response to OIE Circular 78-08 are considered to be superseded by the licensee required action statements of OIE Bulletin 79-01 and are no longer considered to be valid.

Very truly yours,

*William O. Parker, Jr.*
