Re: Oconee Unit 1  
Docket No. 50-269

Dear Mr. O'Reilly:

Reportable Occurrence Report RO-269/79-28, which describes an incident involving reactor coolant system leakage slightly in excess of 1.0 gpm, was to have been submitted by September 21, 1979. However, subsequent to effecting repairs, leak testing was not completed until September 19, 1979, resulting in delays in preparation of the report. It is anticipated that the report will be submitted by October 5, 1979.

Very truly yours,

  
William O. Parker, Jr.
