Dear Mr. Denton:

Enclosed for NRC Staff use and review are ten copies of Revision 5 (dated July 9, 1982) of the Crisis Management Plan for McGuire, Oconee, and Catawba Nuclear Stations. This revision involves reorganization of the Crisis Management team, Section D update, Section K update, and Section M update. These revised pages should be incorporated into the previously submitted Revision 4 of the plan.

It should be noted that Revision 4 (submitted by my letter dated May 7, 1982) brought Catawba Nuclear Station into the plan. This is continued in Revision 5.

Please delete privacy material in the form of personal telephone numbers prior to placing any material in the public document room. Specifically:

Pages B-31, B-32

By copy of this letter, three copies of the above documents are being provided to NRC-Region II.

Very truly yours,
