Re: Freedom of Information Act Request

This is a request under the Freedom of Information Act.

I request that a copy of documents containing the following information be provided to me: **Generic Fundamentals Examinations Results from September 2014 to the present June 2016 examination for all sites/regions.** The coversheets currently available in the reading room do not include the actual scores.

It is acceptable to my client that **individual names be redacted from the document.** The main interest is to gather data on exam scores which for my client would like to perform additional analysis such as generating site averages, industry pass/fail trends, and score standard deviations based on the each test associated with Generic Fundamentals Examination Series. Below is an example of what is being requested:
