Pasadena, TX 77507

**SUBJECT: TRACERCO, REQUEST FOR INFORMATION CONCERNING FINANCIAL  
ASSURANCE DOCUMENTS, CONTROL NO. 590885**

Dear Mr. Lanier:

This is in reference to our letter dated May 17, 2016 transmitting your renewed NRC license. In the letter we stated "This renewal is being issued without completing a review of the Decommissioning Funding Plan as required by 10 CFR 30.35. The Decommissioning Funding Plan will be reviewed under a separate licensing action." Therefore, at this time we have opened an administrative licensing action to request updated financial assurance documents. Please submit the updated financial assurance documents required by 10 CFR 30.35(e)(2).

Current NRC regulations and guidance are included on the NRC's website at [www.nrc.gov](http://www.nrc.gov); select **Nuclear Materials; Med, Ind, & Academic Uses**; then **Licensee Toolkits, see our toolkit index page**. You may also obtain these documents by contacting the Government Printing Office (GPO) toll-free at 1-866-512-1800. The GPO is open from 8:00 a.m. to 5:30 p.m. EST, Monday through Friday (except Federal holidays).

We will continue our review upon receipt of this information. Please reply to my attention at the Region I Office and refer to Mail Control No. 590885. If you have any technical questions regarding this deficiency letter, please call me at (610) 337-5399.

Sincerely,

***Original signed by Stephen Hammann***
