Thanks, Rich. I will have to take a closer look at your proposed edits when I edit the summary, but they seem consistent with what was discussed on the phone call.

Thanks,
Mike

Subject: [External_Sender] RE: Draft Summary of the May 10, 2016, Conference Call

Mike,

Please consider revising the following two sentences in the first paragraph of the draft summary.

Revise:

In response, Entergy stated that they would give broader consideration of the operating experience that could constitute recurring internal corrosion, including enhancing review procedures to ensure that responses to NRC staff requests for additional information have fully considered all potentially applicable operating experience.

To:

We briefly discussed program procedures; however, Entergy stated that they would give broader consideration of the degradation identified in operating experience that could be attributed to the effects of aging.

Revise:

The NRC staff and Entergy agreed to have a follow-up phone call in approximately 3 months to assess the effectiveness of Entergy's changes.

To:

The NRC staff and Entergy agreed to have a follow-up phone call in approximately 3 months to discuss the status of any potential corrective actions.

Thanks,

Rich
