Lisle, IL 60532-4352

To whom it may concern,

Saint Francis Medical Center requests an amendment to our NRC Material License NO.24-00158-03. We request the termination for 35.500 authorization. The brachytherapy program was initially set up for prostate seed implants. To date, we have not done a single procedure, nor were any radioactive sources ever on site.

We would also like to make revisions to the list of authorized users.

Please remove **Drs. Kenneth Retter, David Law, and Bryan Beck.**

Please add the following physicians to our list of authorized users:

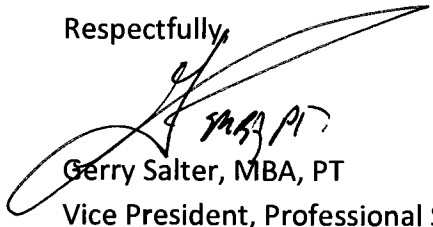

Michael Thomas, M.D.	ABR certified, Updated Mar 02, 2016
Adam Ross Todd, M.D.	ABR certified, Updated Mar 02, 2016
William Michael Pelton, M.D.	ABR certified, Updated Mar 02, 2016
Matthew Bokermann, M.D.	ABR certified, Updated Mar 02, 2016
Richard Lyle Ogles, M.D.	ABR certified, Updated Mar 02, 2016
Terrence Michael Chambers, M.D.	ABR certified, Updated Mar 02, 2016
Todd Michael Buersmeyer, M.D.	ABR certified, Updated Mar 02, 2016
James Bret Winblad, M.D.	ABR certified, Updated Mar 02, 2016

Please reference materials license NO.24-00128-03, Docket NO.030-02264, Southeast Missouri Hospital, for materials and use.

These changes were approved at the June 13, 2016, Radiation Safety Committee meeting.

You may contact the Nuclear Medicine Department at 573-331-5162, with any questions or concerns.

Respectfully,

Gerry Salter, MBA, PT
Vice President, Professional Services
