Subject: Annual General License Registration (Undeliverable Package) - GL-656891-20

Greetings,

In accordance with 10 CFR 31.5 (<http://www.nrc.gov/reading-rm/doc-collections/cfr/part031/part031-0005.html>), the U.S. Nuclear Regulatory Commission (U.S. NRC) recently sent a General License Registration Package for the annual registration of certain devices to your organization by certified mail. The General License Registration Package contained an NRC Form 664, "General Licensee Registration," that contained your organization's relevant information. Unfortunately, the package was returned to the U.S. NRC as undeliverable by the postal service.

Attached you will find the General Licensee Registration package for CITY OF ANN ARBOR. Please review the information in the attached form and make any changes as necessary, per the instructions in the General License Registration Package. Please sign the NRC Form 664. The NRC Form 664 may be sent to me via email, or as a hard copy to the Washington DC address indicated in the instructions.

If you have any questions, please contact me.

Thank you,

Katie Wagner
General Engineer
NMSS/MSTR/MSLB

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

April 20, 2016

TO: Users of Devices Subject to General License Registration

SUBJECT: ANNUAL REGISTRATION OF GENERALLY LICENSED DEVICES

The U.S. Nuclear Regulatory Commission (NRC) requires annual registration of certain devices that are possessed under the general license issued in Section 31.5 of Title 10 U.S. Code of Federal Regulations (10 CFR 31.5). Devices subject to registration include those containing the radioactive material and activity listed in Table 1 of the attached NRC Form 664. You are receiving this notice because NRC records indicate that you have one or more such devices. Information about the general license registration program is available NRC website at <http://www.nrc.gov/materials/miau/miau-reg-initiatives/gen-license.html>

Note that under 10 CFR 31.5(c)(11), the attached General Licensee Registration Package must be completed, signed, and returned to the NRC within 30 days from the date of this letter. Read all of the instructions prior to completing the package. Mail the completed package in the enclosed envelope to:

Director, Office of Nuclear Material Safety
and Safeguards
ATTN: GLTS
U.S. Nuclear Regulatory Commission
Washington DC 20555-0001

Registration Fee: Commission regulations (10 CFR 170.31, Category 3Q) require that you submit a registration fee with each registration on an annual basis. The registration fee is subject to change yearly, and you are required to submit the fee that is in effect as of the date of this letter. An invoice for the current amount due will be sent to you under separate cover. If you have any questions about the fee or the invoice, please contact the License Fee Billing Help Desk at 301-415-7554 or e-mail at fees.resource@nrc.gov.

NRC amended 10 CFR Parts 170.11 and 170.31 to provide that 10 CFR Part 170 fees be assessed to Federal agencies, where applicable, in accordance with the Energy Policy Act of 2005. Therefore, those Federal facilities required to register certain generally licensed devices in their possession will be required to pay the annual registration fee.
