NRC STAFF ANSWER TO BOARD ORDER
REQUESTING SCHEDULING INFORMATION FOR ORAL ARGUMENT

On June 16, 2016, the Atomic Safety and Licensing Board issued an order requesting that participants filing pleadings related to a May 2, 2016, intervention petition by the Blue Ridge Environmental Defense League provide information on their availability for oral argument between July 13 and July 22, 2016. The Board also requested that participants indicate whether they have the technological resources needed to take part in oral argument by videoconference. The NRC Staff has no unavoidable conflicts for the dates in question and has the technological resources to use Citrix GoToMeeting as described in the Board's order.
