SCHEDULING INFORMATION FOR ORAL ARGUMENT**

In reply to the Atomic Safety and Licensing Board's memorandum and order of June 16, 2016, the Blue Ridge Environmental Defense League states that there are unavoidable conflicts on July 15 through July 22, during which time the technical expert upon whom Petitioner will rely in this matter will be unavailable because of obligations previously scheduled which involve travel outside the United States. Also, on July 13th, Petitioner's expert will be engaged from 12:00 noon to 3:00 PM with a professional obligation on another matter. Otherwise, Petitioner is available for oral argument. Petitioner does have the technological resources to use Citrix GoToMeeting for video conferencing.

Respectfully submitted
