Hi Dara,

Sorry for the delay in responding. I was out due to a death in the family and today is the first chance that I've had to respond. We will not be issuing a schedule change this week. We are still trying to make sure that revised schedule appropriately considers everything that we need to do to finalize the supplement. I will reach out to you next week when you get back to let you know where we are at with the schedule.

Thanks,
Mike

Subject: [External_Sender] New Supplement

Hi Mike

You had said that the letter regarding the delay on the new Supplement may be issued in June, so I wanted to let you know that I will be out next week with little to no email access, in case you all were planning to issue the letter next week.

If you do, could you send an email copy to Fred and Rich (copied here), as well as me?.

Thanks

Dara Gray REM
