Thank you. I look forward to seeing the report.

How can I be notified of the report?

Paul,
Yes, the LER report is due on May 21st, 60 days from the event and the 50.72 8-hour report.

Brian:
Does the NRC have the same interpretation?
If so, when can we expect to see a followup to the LER?

Hello Paul:

They must submit a follow up within 60 days to the call that resulted in the late March notification. If the LER does not answer the root cause and corrective action parts, they must supplement/update the LER.

Thanks,
Dave

Thanks but as I read this, it is a requirement for the initial report only and not a follow up.

Am I missing something something?
