SUBJECT: CALENDAR YEAR 2017 INSPECTION SCHEDULE

Dear Mr. Tate:

The enclosed inspection schedule details the inspections for calendar year (CY) 2017. The inspection schedule is provided to minimize the resource impact on your staff and to allow for the resolution of any scheduling conflicts and personnel availability issues well in advance of the inspectors' arrival onsite.

Please note that inspections related to safeguards are not included in this schedule. In addition, any regional initiative or other reactive inspection is not included. If circumstances arise which cause us to change the dates of the planned inspections, we will contact you to discuss the change as early as possible. Please contact either Tom Vukovinsky at (404) 997-4622 or Gregory Goff at (404) 997-4744 with any questions or concerns you may have regarding this letter or the inspection schedule.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice and Procedure," a copy of this letter and its enclosure will be made available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS).
