SUBJECT: CALENDAR YEAR 2017 INSPECTION SCHEDULE

Dear Mr. Murray:

The enclosed inspection schedule details the inspections for calendar year (CY) 2017. The inspection schedule is provided to minimize the resource impact on your staff and to allow for the resolution of any scheduling conflicts and personnel availability issues well in advance of inspector arrival onsite.

Please note that inspections related to safeguards, regional initiatives and other reactive inspections are not included in this schedule. Should circumstances arise requiring schedule revisions, we will discuss the changes as early as possible. Please contact either Tom Vukovinsky at (404) 997-4622 or Paul Startz at (404) 997-4709 with any questions regarding this letter or the inspection schedule.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice AND Procedure," a copy of this letter and its enclosure will be made available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).
