NOTIFICATION OF CESSATION OF ACTIVITIES, CONTROL NO. 590750

Dear Ms. Thompson Smillie:

Thank you for informing us of your plans to decommission your gamma stereotactic radiosurgery unit. We understand that you will cease patient treatments in the near future and plan to contract with Varian, Inc. for the removal of the device. Please notify us if your plans change. In addition, to support removal of the device from your NRC license, please submit the last leak test of the sources and confirmation of receipt by a licensed entity. In addition, please ensure that all databases are updated to reflect the transfer.

Sincerely,
