Dear Mr. Wirkus,

I am responding to your letter dated June 3, 2016, requesting support of Mr. Edward Lohr for an additional four year appointment to the National Registry of Radiological Protection Technologist (NRRPT) Exam Panel. I am pleased to support the re-nomination of Mr. Lohr to the NRRPT Panel of Examiners. The U.S. Nuclear Regulatory Commission (NRC) has a long history of supporting professional organizations in the nuclear field. This support includes the time requirements for Mr. Lohr to attend two Panels of Examiners' meetings each year to the extent that his NRC workload and NRC travel funding will allow.

If you have any questions concerning the NRC support of this nominee, please call me at (301) 415-3340.

Sincerely,

/RA/
