SUBJECT: TURKEY POINT UNITS 6 AND 7, COMBINED LICENSE APPLICATION
ADVANCED SAFETY EVALUATION WITH NO OPEN ITEMS FOR
CHAPTER 13, "CONDUCT OF OPERATIONS"

By letter dated June 30, 2009, Florida Power and Light (FPL) submitted an application to the U.S. Nuclear Regulatory Commission (NRC) for a combined license (COL) for Turkey Point, Units 6 and 7.

Based on our review of the application, the staff is providing the Advisory Committee on Reactor Safeguards (ACRS) its Advanced Safety Evaluation (ASE), with no open items for Chapter 13, "Conduct of Operations" (Agencywide Documents Access and Management System (ADAMS) Accession No. ML16061A443). Unless otherwise stated in the ASE, the staff's review was based on Revision 7 of the application. The ASE is being provided to support an upcoming meeting of the subcommittee of the ACRS. The ACRS full committee meeting will be held after the subcommittee meeting.

In accordance with the memorandum to the ACRS dated March 17, 2010 (ADAMS Accession No. ML100700612), the staff has reviewed the submitted information against the categories for which the ACRS requested be used to highlight information for review by the committee. The staff's assessment of this chapter identified the following subject for discussion with the Committee.

- Turkey Point Units 6 and 7 departures in Section 13.3, "Emergency Planning" for Technical Support Center and Operations Support Center. Emergency planning has the Emergency Operations Facility more than 25 miles from the Turkey Point Units 6 and 7 site.

The staff concludes that the ASE does not contain any information exempt from public disclosure. However, the NRC will withhold the ASE from public disclosure for ten business days to allow FPL the opportunity to verify the staff's conclusion that the ASE contains no such exempt information. Therefore, the staff requests that the ACRS withhold the ASE from public disclosure until the information has been released publicly in ADAMS. The staff will inform the ACRS immediately if FPL requests that any of the information in the ASE be withheld from public disclosure.
