Dear Laurie,

In reference to License No: 10-35096-01, Docket No: 03038675, please void amendment request (MC590701), as we no longer require this action to be completed at this time.

As per your request, please find attached the current organizational charts for Radiation Safety and Region North America. I now directly report to Per Kjäll, Global Director Radiation Safety and Security, who resides in Sweden. The individual in charge of US operations is William (Bill) Yaeger, Executive Vice President, The Americas. Should you have any questions during review of the org charts, please feel free to contact me.

Kind Regards,
Debbie

License No: 10-35096-01
Docket No: 03038675
Mail Control: 590701

Ms. Bensen:

This email is to follow-up with you regarding our conversation today, June 15, 2016, concerning the Elekta, Inc. letter, received in Region I on April 18, 2016, requesting to amend Nuclear Regulatory Commission License No. 10-35096-01.

590701

Per your request, I am sending you a copy of the letter.

Per our conversation, please email me a statement requesting to void this amendment request (MC590701) because you no longer require this action to be completed at this time. Please note that the action to void this amendment will be taken without prejudice to the resubmission of your request.

In addition, please provide the contact information (full name, address, phone number and email) of the highest Elekta, Inc. management representative. I understand that your organization is going through changes, however please provide a copy of the current organization chart, and when available a copy of the new organization chart. Please include names and titles of the individuals in the organization.

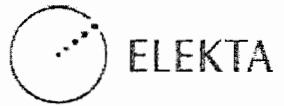

Please ensure the License, Docket, and Mail Control numbers are clearly noted in your email.

Thank you,
Laurie Kauffman
