Subject: Change of Radiation Protection Officer

Ref: NRC License No. 09-11149-03

This letter is to formally notify the Nuclear Regulatory Commission of a recent change in our subject license. The listed Radiation Protection Officer on the referenced license passed away on June 17, 2016. The initial phone notification regarding this event was provided by Mr. Rodney Nickell, Kennedy Space Center (KSC) - Health Physics Manager, on June 17, 2016.

As Chairman of our KSC Radiation Protection Committee, I will be acting as Radiation Protection Officer for this license until a qualified replacement is appointed. Information regarding the new appointee will be provided to your office for approval.

If you have any questions regarding this License change, please reach Rod Nickell at 321-652-2113, or you may reach me at 321-867-6385 (or e-mail david.a.tipton@nasa.gov).

Sincerely,

David A. Tipton, MD
Chair, KSC Radiation Protection Committee

This is to acknowledge receipt of your: Letter and/or Application Dated: 06/20/2016

The initial processing, which included an administrative review, has been performed.

Amendment Termination New License Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>
Follow the instructions on the form for submission.

The following administrative omissions have been identified:

[Empty box for administrative omissions]

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
