Subject: NRC: Request for Additional Information, Smiths Detection Letter Dated June 7, 2016
Date: Friday, July 15, 2016 9:01:00 AM

Good Morning Mr. Volz,

This email is in response to your amendment request for Registration Certificate NR-0163-D-102-E, dated June 7, 2016. In order to continue with our review, please provide the following information.

1. Please specify the serial number of the last unit manufactured at the Watford, Hertfordshire facility prior to the closing of the facility.
2. Please specify the number of completed units that will be transferred from the Watford facility, to be distributed from the Hemel facility.
3. Please confirm that the quality assurance program that Smiths Detection previously committed to in NR-0163-D-102-E will include the new Hemel facility

Please submit the requested information within 30 calendar days of the date of this e-mail. The information should be submitted in an official company letter as an attachment to an e-mail or via facsimile at 301-415-5955. If we do not receive complete information within 30 days, we will consider your request as having been abandoned by you. This is without prejudice to the submission of a complete new request.

Thank you,

Celimar Valentin-Rodriguez, Ph.D.
