Re: USNRC license 42-21454-01E

Dear Mr Rodriquez-Luccioni:

I am formally requesting a change of the Radiation Safety Officer and point of contact for the above referenced license.

The Radiation Safety Officer, as named on Texas License L01963 as of 25 May 2016, is Mr William I. King, Jr.

If I may assist further, please let me know.
