Dear FOIA Officer:

This is a request under the Freedom of Information Act.

The Federal Agency Data Mining Reporting Act requires any department or agency engaged in data mining to submit an annually updated report on this activity to Congress and to make the reports available to the public.

I request the last two such reports created by the NRC.

Further, I request that these files be sent to me in any digital formats in which they exist (PDF, Word, etc.). Under the terms of the E-FOIA Amendments of 1996, Section 5, if a document exists in electronic format, it must be released in that format upon request.

This information will be made freely available online, and will not be used in a commercial manner. I agree to pay up to \$10 for this request. If it will be more than this, please notify me.

Thank you for your help.
