Re: Radioactive Materials Transfer Notification – 5/5/16

Ms. Thomas,

This letter is to inform you that the Niton instrument you returned, Model XL-309, XRF Analyzer, Serial # U4060, has been received at the Thermo Fisher Scientific MA facility. The Cd-109 source has been removed from the instrument per your request. The source will be stored at the MA facility under our license # MA 55-0238, while awaiting proper disposal. The instrument is not being returned to you as requested. If you have any questions or need further information please feel free to contact me.

Sincerely,

Stephen Furtado
