Subject: [External_Sender] Penn State University Update
Date: Friday, July 15, 2016 2:25:55 PM

Mr. Ryder:

Per our conversation on July 6, 2016, The Penn State University RSO listed on our licenses, Jeff Leavey, is on medical leave. Jeff is still engaged in the University's radiation protection activities. In the interim, Mark Linsley (CHP), a local consultant, is under contract to perform RSO functions through onsite service, telephone and email. All radiation Protection staff are in place as they have been.

Mark's contact information is:

Mark Linsley, Contractor
