**Subject:** [External\_Sender] Westinghouse RAI Extension Request

Dear Mr. Ryder,

As per our discussions, Westinghouse Electric Company LLC (“Westinghouse”) requires additional time to respond to your Request for Additional Information (RAI) dated June 23, 2016 regarding our SNM-1107 License Renewal Application (Cost Activity Code L33317). This extension is requested because Westinghouse resources are working on other higher priority NRC tasks. Westinghouse requests that the responses to these RAI’s be submitted by August 31, 2016.

Thank you for this consideration.

Nancy Blair Parr  
Westinghouse  
Licensing Manager
