Subject: Response to e-mail to Mr. Paul Gallagher, Control No. 590661, dated June 23, 2016 for Clarification of Items in our Request for a License Amendment to U.S. Nuclear Regulatory Commission Materials License 10-12044-03

U.S. Nuclear Regulatory Commission, Region I
Medical Branch, Division of Nuclear Materials Safety
Attention: Mr. Robert Gallagher
2100 Renaissance Blvd., Suite 100
King of Prussia, PA 19406-2713

Dear Mr. Gallagher:

Here is our response to the additional information request listed in your e-mail.

As noted in our original submittal information, we are in the process of developing and implementing appropriate procedures for all applicable items in the guidance for radioactive seed localization listed on the NRC website, including pathology, leaking sources, and waste control and disposal. We are also in the process of developing and implementing appropriate procedures for medical event reporting, although we had not specifically listed this in the original submittal information.

If you have further need for information, please contact Mr. Gallager directly at (706) 787-4692 or paul.a.gallager.civ@mail.mil.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael A. Weber".
