Paragraph (7)(a)(i) should actually be (7)(a)1. in order to match the existing codification and to align with the reference in 420-3-26-.02(7)(a).</p> <p>AL lists an incorrect reference in 420-3-26-.02(7)(a)2.(xv). The first sentence should read “Shall register, in accordance with paragraphs (7)(a)2.(xv)l. and II. of...”</p> <p>AL needs to change 420-3-26-.02(7)(a)2.(xv)l. to require annual registration of the devices with the Agency. As it is currently written it appears that AL only requires a onetime registration which is less restrictive than NRC’s regulatory requirements.</p> <p>AL needs to make the above changes in order to meet the Compatibility Category C designation assigned to 10 CFR 31.5.</p>
