Mr. Schmidt,

I'd like to thank you for your time during the NRC inspection in the Anchorage Alaska and our exit briefing after the inspection on June 20, 2016. As we discussed during the exit briefing, no violations were identified. The attached NRC inspection report (NRC Form 591M) documents the results of the inspection. This does not require you to take any action and you are not required to sign it or return it. I do however request a courtesy email response from you acknowledging receipt.

Thank you and please do not hesitate to contact either myself or Dr. Katanic with any questions or concerns.
