Subject: (U) Updated List of Derivative Classifiers for Global Laser Enrichment and Certification Dates

In accordance with Global Laser Enrichment, LLC (GLE) procedures, GLE is sending the NRC an updated list of derivative classifiers (DC). The attached list reflects one change. Additionally, there is one derivative declassifier in Australia. His training is past due. We will send him the training for his review. Australia does not have a biennial training requirement.

If there are any questions regarding this letter and its contents, please do not hesitate to contact me at 910-819-7447 or at pat.jenny@ge.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Pat Jenny", is written over a horizontal line.

Pat Jenny
GLE Security Manager/Classification Officer
