Subject: Receipt of North Butte Financial Assurance Update

Mike –

The staff has received your letter dated July 11, 2016, which contained the 2016-2017 financial assurance update for the North Butte remote satellite facility. This document is available in ADAMS under package ML16204A068. The NRC staff has initiated its acceptance review of the submittal. Note that work associated with this submittal will be tracked using CAC L00822. Please use this code on future correspondence related to this submittal.

Thanks.

Doug
