Licensee: Insight Health Corp. C/O CDI
RAML #: 22-29403-01
Subject: Amendment Request for more Information

Dear Mr. Parker:

Per your request via telephone, I am providing additional information for Dr. David Karimeddini who we previously requested to be added to the above reference license as an authorized user for 10 CFR 35.200 use.

Attached please find a letter from the radiation safety officer of University of Connecticut NRC radioactive materials license 0613022-02. In this letter, the RSO states that UConn Health's Radiation Safety Committee under the broad scope, human use license, has approved David Karimeddini, M.D. as an Authorized User.

No other changes are needed at this time. I am the primary licensing contact for our PET operations under this license. All future correspondence may be sent directly to me, and I will distribute the information to the appropriate individuals. Should you require any additional information, please do not hesitate to contact me at (952) 847-1152.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim Varcarolis".
