Docket No. 72-1014, Certificate of Compliance (CoC) No. 1014

Subject: Holtec International HI-STORM 100 Multipurpose Canister Storage System
Amendment Request 1014-12 Supporting Calculation Packages

References: [1] Holtec Letter 5014811, "Holtec International HI-STORM 100
Multipurpose Canister Storage System Amendment Request 1014-12," date
June 14, 2016, to M. Lombard (NRC) from K. Manzione (Holtec)

Dear Mr. Lombard:

Holtec International previously submitted a request to amend the HI-STORM 100 Certificate of Compliance (CoC) in Reference [1]. To aid the staff review of this request, Holtec herein submits the calculation packages that support the request.

Attachments 1 through 3 contain calculation packages for the changes requested in the thermal, structural, and shielding disciplines. Since these calculation packages are considered proprietary, Attachment 4 contains an affidavit in accordance with 10CFR2.390 requesting that the information be withheld from public disclosure.

If you have any questions please contact me at 856-797-0900 ext. 3951.

Sincerely,

A handwritten signature in cursive script, appearing to read "K. Manzione".
